Main Presentation: "A Tour of Local Ham Shacks"

This information comes from the presenter. I ask for a Vita (Below), then I edit it, and put it here.

This meeting provides insight into how various hams in our club build and arrange their ham stations. Included is Gordon's station which is a bare bones arrangement. Bill has another option. Tom is slightly more elaborate and Tony has the most sophisticated of the arrangements. And Tony has other options to speak about tonight

Speaker: Dr. William Overton, K17IFC

Speaker: Immediate Past President, Gordon Wilmoth, K17CZR
